1. **ROLL CALL** – President Haring called the meeting to order at 11:00 a.m. Roll Call was taken.

2. **TRANSPORTATION COORDINATING COMMITTEE**

(Business of the Metropolitan Planning Organization MPO)

Todd explained the following amendments

Action Item(s):

Resolution 21-06 – A Resolution amending the TIP – Cook Rd Sidewalk Estimate

The estimate was reduced in an amount significant enough to warrant an amendment. The scope of the project has not changed.

Resolution 21-07 – A Resolution amending the TIP – Mansfield Main Street Project

This amendment is to bring the project back into the TIP after it was removed due to uncertainty about its implementation during COVID.

Resolution 21-08 - A Resolution amending the TIP – B & O Trail

Resolution 21-09 – A Resolution amending the TIP – B & O Trail

Todd explained 21-08 and 21-09 together. These are amendments to get the process started for the improvements and repaving of the 18 mile B& O Trail. The repaving project will be programmed in two parts.

Jotika stated that as Regional Planning was instrumental in the conception of the B & O Trail, it is fitting for Regional Planning to commit their resources to its revitalization as we celebrate the 25th Anniversary of the B & O Trail.

Randy Hutchinson made a motion to accept Resolutions 21-06 through 21-09. John Jaholnycky seconded and the motion was approved unanimously.

3. **Date of Next Meetings:** Executive Committee: January 13, 2021
Full Commission: January 27, 2021
